TASTE OF TAMARAC *exhibit promote captivate*

This year marks 11 years of the Taste of Tamarac Business Expo being celebrated. This event is extensively campaigned all throughout Broward County and South Florida and one of our main marketing strategies is the Taste of Tamarac Magazine. This is the best way to market your business; the magazine has 48 pages and we distribute over 10,000 copies. The advantage of this being a printed magazine is it's credible, tangible and targets a large audience. Magazines are something consumers keep, so with your business advertisement in this magazine, you get exposure every time someone picks up this magazine to read it. Visit www.tasteoftamarac.org to learn more about advertising and event sponsorship opportunities.
