

CHAMBER LINK

The Official Newsletter of the Greater Tamarac Chamber of Commerce

RECAP...

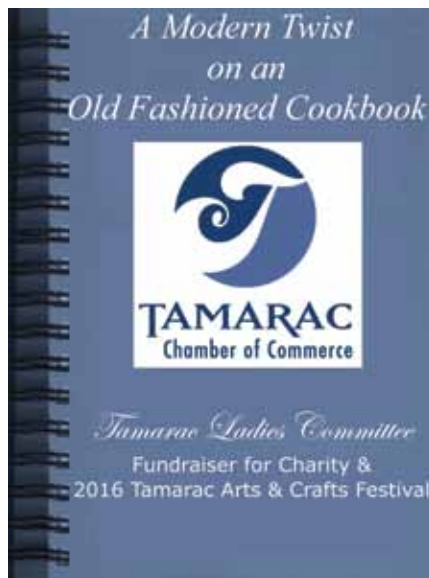

January's Strategic Planning session was most productive and enjoyable for the Board of Directors. Providing members unique opportunities to market themselves and their companies to the Greater Tamarac community and also creating networking events that are attractive to members are top priorities of our Chamber. Our next after hours on 03/19 will be outdoors at Suzanne Chesser State Farm Plaza 8471 W Commercial Blvd as we enjoy daylight saving time and a Spring evening

The Tamarac Ladies Cookbook, Trick or Tee Golf Tournament and Tamarac Arts & Craft Festival are all new exciting projects to get involved in as well as our proven Taste of Tamarac Magazine Launch Party, Taste of Tamarac and Awards Gala. Please

contact the Board members or the office to enquire if you want to get involved. Also put 08/20 Multi Chamber event at JM Lexus in your diaries the Board are very happy to be involved again.

Our next breakfast April 2nd at Woodmont Country Club we will have the Chamber Relay4Life raffle. Starting March 6th there will be 6 email & LinkedIn blasts, 24 Facebook posts and 48 Twitter releases of the Chamber Relay Raffle Chart. This is an excellent way of exposure whilst giving back to a worthy cause. Last year we raised \$675 and had 20 very happy members leave the breakfast with valuable prizes. Please send in your \$50 value donation to the Chamber office. Remember the earlier you do it the more exposure you get.

Congratulations to our Trustee member **University Hospital & Medical Center** for the new Interventional Radiology & Vascular Lab. This amazing equipment will expand their Wound Care Program to treat diseases of the blood vessels and vascular system. We also thank them for being our Title Sponsor for our successful Preventative Health & Wellness Expo. To all our other sponsors, vendors and volunteers we applaud your contribution please check photos on our website and Facebook page.

Thank you to **J & B Judaica and Walmart** for having successful Ribbon Cuttings since our last newsletter.
