PREPARING FOR SUCCESS!

A Unified Voice Of Business,

The Greater Tamarac Chamber of Commerce experienced a memorable 2015. Not only did we accomplish membership growth but members saw the value of being connected and being part of an organization that contributes to the good of the community.

Bringing people and business together is our tag line no matter the size of your business or location. Our leading events were very successful such as the Health Expo, Business to Business Expo at JM Lexus, Taste of Tamarac the first Chamber Golf Tournament in years, these combined with monthly meetings have united us in promoting business and the area we do business in.

I encourage you all to enjoy this Chamber and to get involved in our 40th Anniversary year.
