A LETTER TO SPONSORS

April 1st and 2nd of 2017 marks the Second Annual Tamarac Arts & Crafts Festival presented by the Tamarac Chamber of Commerce in partnership with the City of Tamarac.

Our goal once again is to showcase Arts and Crafts in a 2-day outdoor event with artists, crafters, entertainment, food trucks and an interactive children's area...all the components needed to make a great community event.

We would like to offer you the opportunity to be a part of this exceptional event by becoming one of our sponsors which will provide you with marketing prospects for your company. In addition to the exciting display of local and visitor arts and crafts, there will be a large spectator presence and on-site media attention. Your company will be aligned with a quality event that displays the diversity of Tamarac and the surrounding cities. To a considerable extent, this event is attended by patrons of various nationalities in and around Broward County and the exposure you will gain from networking with a captive audience of hundreds will be valuable to your company. Not only will it allow you the opportunity to recognize potential customers and promote consumer awareness, but it will enhance and increase your future product sales as during the event consumers will have the opportunity to try your products.

The Festival's key objectives are as follows:

- To unite our community of diverse cultures and ages through Arts and Crafts and other fun-filled activities
- To provide an opportunity for sponsors and vendors to promote their products/services, recognize potential customers and shape consumer attitude.

As a sponsor of the 2nd Annual Tamarac Arts & Crafts Festival , you will be offered the opportunity to support a 5-year projected event and feature your products and services.

We recognize that putting on a quality event such as this requires partnership between ourselves and our sponsors. We also appreciate the valuable commitments all of our sponsors have provided since the inception of our events. On the following pages, the sponsorship levels are outlined and we welcome your consideration of these packages.

We thank you in advance for your participation as a sponsor.

Sincerely,

Keith Koenig, Honorary Chair
